

**REMARKS**

In the Notice, the prior filed amendment was objected to because claim 45 did not have the proper status identifier since it was identified as "New" and there were a total of 45 claims originally filed in this application. Please note that claim 45 was canceled in the Response to Restriction Requirement dated March 24, 2008. This response provides the proper status identifier of "Canceled" to claim 45 and the claims identified as "New" have been renumbered as 46-54.

Respectfully submitted,

Dated: October 31, 2008
